Yet another blog post!

Yesterday yr6 went to Basildon Academy to enjoy swimming, games and drama! Part of our treat after SATS

The day was really fun; in the pool we played a treasure game. Balls and floats were thrown into the pool, in twos we swam out to collect the treasure. Whatever side collected the most treasure, won!

In drama we played two games; one a version of wink murder, instead we played a Dracula version. It was really cool, well the Dracula killer would come in the room, they would walk round to see if they could find the killer.

The second was a version of Rock, Paper, Scissors; called Giants, Wizards and Knights... you should try it sometime!
