

Breakfast Club/Tea Time Club

As a fully inclusive school we are committed to raising the attendance, self-esteem and standard of achievements of all the children in our school. To help us achieve this we provide a service where the parents can send their children to school from 8:00am in the morning.

At Maple Grove Primary School we are committed to providing our children with not only the best education but also a healthy start to their day and an awareness of the importance of a healthy lifestyle.

Aims

At Breakfast club we aim to

- Raise attendance and have a positive effect on the concentration and behaviour of pupils.
- Provide the children with a healthy start to the day. The children have a selection of healthy foods to choose from:
 - Toast (served with butter, honey, marmalade or jam)
 - Cereals (Weetabix, Cornflakes, Multigrain hoops, Rice Crispies and Shreddies)
 - Fresh fruit (apples and bananas although other fruit is sometimes available)
 - Yoghurts
 - Orange juice, apple juice and milk are available for the children to drink.

After breakfast the children have a selection of activities to choose from such as games and drawing.

Tea Time Club provides those working parents the opportunity to collect their children at 4 o'clock. The children are given the choice of healthy snacks:-

- Sandwiches with a choice of fillings

- Fresh fruit
- Yoghurts
- Orange juice, apple juice and milk are available for the children to drink.

Children are then given a choice of activities once they have finished eating until they are collected.
